

15 Claude Cowork Skills I Can not Live Without

These are the 15 skills from my video. One plugin, one install, all 15 ready to go. I use these every single day to run my business.

HOW TO INSTALL (60 SECONDS)

- 1 Download the Claude Desktop app (claude.ai/download)
- 2 Open Claude Desktop and switch to Cowork mode
- 3 Click Customize in the sidebar
- 4 Click Plugins then Upload Plugin
- 5 Select 15-cowork-skills.zip (do NOT unzip it)
- 6 All 15 skills activate instantly

PRO TIP: MAKE THESE YOURS

These skills work out of the box, but they work 10x better customized to you. Find any skill in Customize, click the three dots, select "Edit with Claude," and tell it your niche, preferences, and tone.

ALL 15 SKILLS

1

Animated Website

Turn any video into a luxury scroll-animated website with parallax effects

[animated-website](#)

2

Budget Dashboard

Generate an interactive financial dashboard as a self-contained HTML file with Apple Swiss design. Includes sliders to adjust income and expenses in real-time...
